## PEN PAL PROGRAM

*A Deep-dive into Dutch*

### What is the Pen Pal Program?

The Pen Pal Program is a **cost-free** next-level language acquisition program by our volunteers. Unlike many other language acquisition programs which offer bland standard ways of learning, the Pen Pal Program way of learning is more organic.

Not only will you understand how Dutch<sup>1</sup> works, you'll also understand why it works the way it does. Because we strive to make you even more proficient than the native-speakers themselves.

What the program entails:

- Cost-free electronic correspondence (e-mail or WhatsApp);
- Comprehensive grammar instruction;
- Fun non-obligatory assignments;
- Organic tailoring to your needs;
- ...

### Where do I sign up?

You can sign up for the program on our [website](#). Please mention you want to join the program, and we'll take things from there.

Make sure you have an e-mail address or cell phone number on which our volunteers are allowed contact you personally.

### Questions and feedback

Should you have questions or feedback, please don't hesitate to contact us!

<sup>1</sup> Note that our language of correspondence is of the Southern Dutch kind, better known as Flemish. Please be mindful that you'll likely learn Standard Dutch with a Flemish flourish. This will in no way compromise your intelligibility in The Netherlands.
